The presenting author's email address may be included on the next line and should be italicised and underlined. The inclusion of an email address is optional. Abstracts will be printed in the abstract book as submitted. Therefore if you do not wish your email address to be distributed please do not include it in your abstract.

Leave a blank line before the main abstract text. Do **not** type "abstract" at the start of the main text. Leave a single blank line between paragraphs. Justify paragraphs and do not indent the first line.

Equations should be indented 5 mm. There should be one line of space above the equation and one line of space below it before the text continues.
